

REMARKS

This Preliminary Amendment is filed in order to facilitate processing in the above-identified application.

As indicated above, claims 1, 5 and 6 have been amended to recite the additional features of rails arranged to guide a tray drawing operation of the tray drawer device. Applicants respectfully submit that none of the references taken singularly or in combination show, teach or suggest this feature.

Thus, it now appears that the application is in condition for reconsideration and allowance. Reconsideration and allowance at an early date are respectfully requested.

If for any reason the Examiner feels that the application is not now in condition for allowance, it is respectfully requested that the Examiner contact, by telephone, the Applicants' undersigned attorney at the indicated telephone number to arrange for an interview to expedite the disposition of this case.

In the event that this paper is not timely filed within the currently set shortened statutory period, Applicants respectfully petition for an appropriate extension of time. The fees for such extension of time may be charged to our Deposit Account No. 02-4800.

In the event that any additional fees are due with this paper, please charge
our Deposit Account No. 02-4800.

Respectfully submitted,

BURNS, DOANE, SWECKER & MATHIS, L.L.P.
